Weight Management Month

August is Weight Management Month at Pharmacy@TheWarehouse

Having a healthy body weight can help prevent high blood pressure, cholesterol and blood glucose levels, resulting in a reduced risk of developing cardiovascular disease (heart attack and stroke), certain cancers and type 2 diabetes.

Come and visit us for a **FREE** weight management consultation, during which we can design a practical and realistic healthy eating and exercise plan to fit with your lifestyle.

Other **FREE** in-store services include blood pressure checks, cholesterol checks (Sylvia Park only), BMI calculation, blood glucose checks, iron tests, prescription services, advice on minor ailments, and information on prescribed and over-the-counter medicines.
